PHYSICIAN ORGANIZATION

Curas is a St. Louis area based health information technology consulting company that specializes in the implementing of eClinicalWorks suite of products for the electronic medical office. Curas' staff of eClinicalWorks certified specialists install the software, train end users, and assist practices with optimizing their office workflow to maximize the benefit they receive from deploying eClinicalWorks' products.

In addition to servicing and supporting clients in Eastern Missouri and Southern Illinois, Curas is frequently called upon by eClinicalWorks and other eClinicalWorks VARs to install and train users at various sites around the United States. We work with practices in over 30 states including Saint Anthony's Physician Organization in Saint Louis (65 Physicians) and Winchester IPA in Massachusetts (347 Physicians).
